

PRINCIPAL'S REPORT

Dear all,

Parking Around The School

As you know, road safety around schools is everyone's business. Please remember to be particularly vigilant at school pick-up and drop off times as parking around our school is limited. Of particular concern is the carpark at the back of the school off Church Street where there are no markings to identify where to park. I ask that, if parking in this area, you take great care as you need to, not only navigate around other vehicles, but also around foot traffic including students and toddlers. Access to this area should be at walking pace only. Thank you for helping keep our students and families safe.

Jumping Castle Reward Day

This term's reward for outstanding behaviour is a jumping castle which was meant to be today, but has been postponed until Friday due to wet weather. If it is still raining on Friday we will need to reschedule for early next term.

Kindergarten Orientation Sessions

Our Kindergarten Orientation sessions have been scheduled for Thursday 3, Thursday 10 and Thursday 17 October from 2 - 3pm.

During these times our new recruits will spend time in the Kindergarten room while parents are invited to attend information sessions. If you intend to enrol your child for next year and haven't yet done so, please call the Administration staff on 4443 4376.

Congratulations!

Congratulations to all of our students on another fantastic term. As always, it was a busy one. Highlights have included our choir's lovely performance at the Shoalhaven Music Festival, the success of our Year 3 students at the Bay and Basin Film Festival, the achievements of our Tournament our Minds teams in the regional tournament, the Power FM Brekky and of course our amazing *Taste of Tomorong* night which was enjoyed by the wider community. Similarly, a number of students have excelled in a range of sporting endeavours throughout the term. Despite having so much on, our students have continued to show excellent progress. I am very proud of the compassion they show towards one-another and the positive attitude the overwhelming majority of our students have towards their learning. Well done! Wishing all our students a safe and happy break. Students and staff return Monday 10 October.

Happy Holidays!

Learning Management Business Reforms

Go Live! 17 October 2016

As this term draws to a close, we are busily preparing for the closure of our old administrative and financial systems in readiness for the launch into the new integrated platform next term. This will necessitate the closure of our schools bank account which in term will impact on payments for school activities.

I'd like to remind parents that the Parent Online Payment facility will not be available on our schools website from Friday 23 September until 16 October, 2016. Additionally, we will not be able to accept payments by cash or cheque between 12 October 2016 and 17 October 2016.

Training for the implementation of the reforms is now almost complete and we are looking forward to Go Live! Thank you for your patience and understanding as we continue to prepare for and grow accustomed to using these new systems in Term 4.

If you have any questions, please don't hesitate to contact me on 4443 4376.
