

PRINCIPAL'S REPORT

Demountable Installation

We have been advised that the installation of the new demountable building will take place this Friday, 17 November. Consequently, **access to the rear school car park will be limited to construction vehicles only**. Therefore, we ask that parents do not use this parking area on Friday.

Kindergarten Orientation

Tomorrow is our final formal Kindergarten Orientation session for the year. Mrs Dilley and I are very happy with how settled the children are and we look forward to them all joining us at the beginning of next year. If, as a new kindergarten parent, you have any questions about your child starting school, please don't hesitate to talk to Mrs Blair in the office, Mrs Dilley or myself.

Parent Helper Morning Tea

We are so fortunate to have such wonderful volunteers helping in our school and we'd like to thank all our helpers by inviting them to a morning tea from 11am on Thursday 30 November. To everyone who has assisted by being in our classrooms, canteen, garden, attending P&C meetings, covering books, helping with uniforms or supporting the school in any other way, please accept an invitation to come along for a cuppa and chat!

Berry Sport and Recreation Camp

There were many excited students here this morning when our Years 5 & 6 students departed for their Berry Sport and Recreation Camp. We hope they all have a fantastic time with lots of stories to tell when they return.

Helicopter Landing

Next Monday, 20 November, we have the special privilege of having a Squirrel helicopter from the 723 Squadron of HMAS Albatross landing at our school. It is very exciting because as of December 1 they will be decommissioned. Once the helicopter lands at the end of lunch, each class will have the opportunity to explore the helicopter and ask questions of the crewmen before it leaves at the end of recess. Thank you to Mrs Raymer for organising this wonderful opportunity for our students.

Have a great week,

Rod White
Principal

More great weather last Friday allowed K-2 to participate in their second infants' sport session. The children were placed into mixed aged groups and enjoyed a variety of sports such as dance, orienteering, circuits and ball games. These sessions will continue every Friday over the next few weeks. Congratulations to the students pictured who showed great skill and top sportsmanship last Friday.

SRC NEWS**Talent Quest**

On Thursday 14 December, the Tomerong SRC will be holding their annual 'Tomerong's Got Talent', talent quest.

Students, who would like to perform, are invited to start practising and thinking about their performance, either individually or in a small group. The acts will need to keep under two minutes to ensure we have enough time to see all the acts.

Last year, we had some amazing talent, which included singing, dancing, comedy, musical instruments and short skits.

Please note that all music needs to be given to Mrs Darby on a USB by Friday 8 December. Unfortunately, music given on the day will not be accepted.

The SRC will be visiting the classes next week to take the names of students and their acts which they would like to perform.

We are looking forward to a great day!

Mrs Darby

**OFFICE NEWS****Lost Property**

As we are nearing the end of Term 4 and the weather is warming the lost property box is, once again, overflowing with articles of clothing. Please ask your child to check for any lost property.

The lost property box will be emptied and items washed at the end of this term. Those articles of clothing without a current student's name will be given to the Uniform Pool for resale.

Thank you for your help in this matter.
