

PRINCIPAL'S REPORT

Volunteer's Morning Tea

We are so fortunate to have such wonderful volunteers helping in our school and we'd like to thank all our helpers by inviting them to a morning tea from 11am on next Thursday 30 November. To everyone who has assisted by being in our classrooms, canteen, garden, attending P&C meetings, covering books, helping with uniforms or supporting the school in any other way, please accept an invitation to come along for a cuppa and chat!

P&C Information Session

We're excited to have the opportunity to host an afternoon tea with a representative from the *NSW Parents and Citizens Federation* next Wednesday 29 November, commencing at 3.30pm. This is a great chance to come together and learn about what the P&C is all about, as well as the role of the members and executive. The meeting will be held in our Library. One of our P&C's focuses is to increase its membership base and we are considering ways to ensure everyone has the opportunity to attend meetings. Parents are welcome to bring their children to next week's information session. Hope to see you there.

Berry Camp

Our 5/6 students had a great time at their two night camp at Berry last week. Sport and Recreation Centre staff commended them on their behaviour and how they enthusiastically participated in all events. Thank you Mr Bradley and Mrs Ford for providing this opportunity to our students.

Bus Passes

Please note that parents of students in Year 2 will need to apply for a new bus pass as children move into Year 3 next year. This is now an online process and should be done promptly to ensure bus passes arrive by the beginning of next year. Please go to www.transportnsw.info/school-students.

Presentation Day

Wow! What a year it's been! We hope you can join us in celebrating our students' achievements at our end of year Presentation Day on Wednesday 6 December. All parents, grandparents, family and friends are invited to help us celebrate another sensational year at Tomorong Public School. The awards ceremony and assembly will commence at 10am.

New Classroom

Our Before and After School students excitedly watched our new classroom being delivered last week! We are busy working on the 2018 class structure and I hope to be able to let you know which teachers will be taking each class in coming weeks.

HELICOPTER VISIT

Wow! What a special day it was on Monday when we had one of the Squirrel helicopters from the 723 Squadron of HMAS Albatross land on our school oval. At the end of lunch, everyone in the whole school eagerly awaited in anticipation for the arrival of the helicopter. It landed with a powerful gust and was very exciting for all to see. Then each class had the opportunity to visit the helicopter, climb aboard and ask questions of the pilots and crewmembers. Once everyone had been to visit, the whole school then watched again as the helicopter took off and flew back to Albatross. Each student also got a memento from the Navy and an experience they may never forget. Thank you to HMAS Albatross, the Commanding Officer of 723 Squadron for organising the visit and the wonderful pilots and crewmembers that assisted on the day. **Mrs Raymer**

JUNK TO FUNK CHALLENGE

Last week, Tomerong students participated in National Recycling Week activities, including Planet Ark's Junk to Funk Challenge. Thank you to all the families who supplied recyclable items for our classes to turn into amazing creations! Here are some of the wonderful creations that will be entered into the Planet Ark competition. Well done all!

A big thank you again to all students who have already returned their library books!

All library books were due back last week ready for the annual stocktake, so please remember to return your books (or pay for lost ones) as soon as possible.

The class prize for the first class to return all books is still available. *Which class will it be?*

SRC NEWS

Talent Quest

On Thursday 14 December, the Tomerong SRC will be holding their annual 'Tomerong's Got Talent', talent quest.

Students, who would like to perform, are invited to start practising and thinking about their performance, either individually or in a small group. The acts will need to be kept under 2 minutes so we ensure we have enough time to get through all acts.

Last year, we had some amazing acts, which included singing, dancing, comedy, musical instruments and short skits.

Please note that all music needs to be given to Mrs Darby on a USB by Friday 8 December. Unfortunately, music given on the day will not be accepted.

The SRC will be visiting the classes this week to take the names of students and their acts which they would like to perform.

We are looking forward to a great day!

Mrs Darby
