

PRINCIPAL'S REPORT

Dear all,

Kindergarten Enrolments

As part of our planning for 2018, we are now asking existing families who intend to enrol their child in Kindergarten next year to drop into the office to collect enrolment forms. This will allow us to start processing the documentation required for enrolment.

Canteen Meeting

There will be an informal meeting tomorrow (Thursday) afternoon at 3.30pm to discuss arrangements for the ongoing management of our fantastic canteen. Please come along if you would like to learn more about how you can assist. As the meeting will take place straight after school, children are able to play while we meet.

Regional Cross Country

Next Friday, 2 June, some of our students are competing in the Regional Cross Country Carnival at Willandra. I would like to wish Jesse, Matilda, Jett, Tarlia, Scott and Saphira success at this high level of competition.

Have a great week,

Rod White
Principal

Kindergarten Corner

Mariah

"Hi! My name is Mariah. I am five years old. I have one brother called Tye.

At school, I like 'Calendar and Weather' time, this is when we get to do lots of counting. I also like to read books in our reading corner.

At home, I like to play with my dogs. My friends are Myles, Shamar, Melia and Olla.

When I grow up I might be a doctor."

Premier's Reading Challenge

The Challenge aims to encourage a love of reading for leisure and pleasure in students and to enable them to experience quality literature. It is not a competition, but a challenge to each student to read, to read more and to read more widely.

There is still plenty of time to complete the challenge, it closes on Friday 25 August, 2017 (Term 3).

For more information, visit the Premiers Reading Challenge website at:

Happy Reading!

Tips to help prevent the spread of colds

Common cold viruses can get on our hands when we touch infected hands, surfaces and objects. When we put our unwashed hands in our mouth or rub our eyes and nose with them we can infect ourselves with a cold virus.

Correct hand washing is one of the most effective ways to help prevent the spread of cold.

- Wash hands thoroughly, especially **before eating** food and **after blowing** the nose, coughing or sneezing.
- Here's how:
 1. Lather with liquid soap for 10 seconds
 2. Rinse with running water for 10 seconds
 3. Dry hands

Antibiotics don't work on viruses so they won't stop a cold from spreading. For more information go to:

P&C NEWS

Cadbury Chocolate Fundraiser

Thank you to everyone who has participated in the Cadbury Chocolate fundraiser.

There are a few boxes of chocolate still available if you would like to sell them. If so, you can collect a box from the office.

Also, just a reminder that if you have any money raised from the sale of chocolates, please return it to school as soon as possible, so that we can finalise this fundraiser.

Thank you.
