

PRINCIPAL'S REPORT

Dear all,

Canteen

Thank you to all the parents who attended the meeting last week about our canteen. I'm pleased to say, that due to thankless volunteers stepping up, our canteen will continue to operate relatively unchanged.

We do, however, require a couple more volunteers to assist once or twice a term on either Wednesday or Friday. If you are able to help out, please see me or add your name to the roster on the canteen door.

Uniform Meeting

Last week, some of the P&C executive met to discuss our ongoing difficulty in sourcing suitable and affordable grey girl's winter pants. Given this has proven to be problematic for some time, the consensus was that we switch to burgundy pants for girls. There are a number of more affordable options to consider. We will be continuing this discussion tomorrow at 3.30pm under the COLA. If you would like input to this decision please feel free to come along.

Special Interest Groups

Our special interest groups are underway and our students are having a great time participating in a range of activities including chess, ceramics, patchwork/sewing, sport, creative arts and Tournament of Minds.

Thank you to our amazing teachers for ensuring, as always, that the program is a great success!

Have a great week!

After school I like going to swimming lessons.

At home, I like to play 'Shopkins' with my sister. My friends are Mariah, Shamar, Cooper, Zoey and Olivia.

When I grow up I would like to be a nurse."

OFFICE NEWS

Leisure Sport Outstanding Payments

During Term 1, students from years 3 to 6 participated in the Leisure Sport program over an eight week period. The children had a great time participating in these fun and different sporting activities and Leisure Sport will be offered to students once again in Term 4.

Now that the program is complete for Term 1, outstanding payments are being sought from families in order to finalise the schools payments for the activities.

Some students were issued with letters today, requesting outstanding balances. Please ask your child if they have received a letter.

The program consisted of four different activities and students were requested to pay \$2.50 per session (unless they were participating in Beach Volleyball).

Overdue balances are calculated on payments received with three sessions cancelled due to rain and absences taken into account.

We would appreciate payment at your earliest convenience.

Payments made for cancelled or absent days will be credited to students for the Term 4 program.

Please feel free to come and discuss this further if needed.

Thank you.

PYJAMA DAY**Stewart House Fundraiser**

A big thank you to everyone who enjoyed wearing their PJ's last Wednesday to raise money for Stewart House. Our school raised over \$178 for this wonderful organisation! That is a fantastic effort for a small school! We hope you enjoy the collage of pictures attached to this 'Bulletin'.

Well done Team Tomerong!

PIRATE DAY FRIDAY - SRC FUNDRAISER

On Friday, 9 June, the SRC will be holding a 'Pirate Day' to raise money for research into the prevention and cure of childhood brain tumours. Students are invited to come dressed in pirate mufti or wear a beanie to support this very special cause. Students are asked to bring along some **'Pirate Treasure'** (A gold coin donation!).

All children will be given a pirate patch to decorate and wear on the day, as well as completing some activities in class.

The organisers of the national 'Pirate Day' aim to have over 1 million people across the world wear an eye patch for children who are diagnosed with brain cancer. The eye patch is symbolic for the brain damage that often occurs in children who have brain tumours removed. Conor Colgan (the little boy who inspired the day) has partial paralysis in his face, including the ability to blink with his right eye. This nation wide fundraiser is to help support research and eliminate childhood brain cancer. *Thank you for supporting this worthy cause.*

**LIBRARY AND SRC NEWS!**

Last term, Tomerong Public School's SRC held an Easter Raffle to raise some money for the school. With just some of the money which was raised, the SRC decided to buy some games for the Library, which are accessible to ALL students during lunch time on Tuesdays and Wednesdays.

We have brought a huge variety of games for all ages, which students have been enjoying over the last couple of weeks. It is a great space for students to enjoy a quiet game or read a book with a friend, sibling or a buddy, especially in the colder winter months!

Thank you once again to our wonderful SRC and also to each and every student and family member who donated chocolate to our raffle and/or bought a ticket.
