

PRINCIPAL'S REPORT

Dear all,

School Reports and Interviews

Thank you to the many parents who have arranged to meet their child's teacher next week. If you haven't yet done so, please make contact in the next few days to arrange a time to meet. All students will receive their Semester 1 school reports this Friday.

Each and every student has made excellent progress this semester, whether it be academic, social or behavioural, and each child should be congratulated for their efforts. Please take the time to discuss your child's report with them and have a discussion about how they believe they are travelling, and what goals they could set for next term. Setting, working towards and achieving goals is a great way for students to develop ownership of their learning, and school reports are great conversation starters around this. Revisiting these conversations at the beginning of next term would be a great way to set your child up for success next semester.

Tournament of Minds

Our fantastic Tournament of Minds team will be attending a challenge day at Vincentia High School tomorrow as a warm up for their regional challenge later in the year. Facilitated by Mrs Raymer, participants need to use their critical thinking, teamwork and leadership skills to solve set problems and present their solutions through drama without direct input from teachers. The ToM team have been busy working on short team challenges and will receive their long term challenge next term which will be delivered at the regional tournament. I can't wait to see the finished product!

Kindergarten 2018

We are now accepting enrolments for Kindergarten 2018. If you intend to enrol your child in Kindergarten 2018, please make contact with the school so we can include you in our numbers. Similarly, if you know anyone who is considering enrolling for 2018, please ask them to come and see myself or the administrative staff.

Have a great week!

CONGRATULATIONS CELESTE!

Celeste in 2-3K shaved her hair off on Saturday 17 June, to raise money for the Leukemia Foundation. Celeste managed to raise over \$1000. Her very long hair was donated to the Australian Alopecia Areata Foundation to be turned into a wig for someone in need. Well done Celeste, we are very proud of you!

Jayden

"Hi, my name is Jayden and I am five years old. I have one brother and his name is Blake. At school, I like to play with Lego and learn about 'Mrs Wishy Washy'. I like to play with Jesse, Shamar, Myles, Melia and Noel. At home, I like to play with my dog. When I grow up I would like to be a fireman or a builder."

This week's value is
**Keep Hands and Feet
to Yourselves**

Congratulations to last week's winner

LIBRARY LINKS

Overdue Library Book Reminders

A reminder note was sent home to all students today (on yellow paper) who have overdue books. Please check if your child received one and help them to find their books and return them to the library as soon as possible.

Please encourage your child to return their books each week and borrow new ones, so the books are available for all students to borrow. Students should also bring a library bag each week to help protect the books.

A big thank you to the students who borrow and return their books each and every week!

P&C NEWS

Athletics Carnival Canteen

Just a reminder that a limited canteen will be operating at the Athletics Carnival. Donations of cakes/biscuits/slices would be greatly appreciated. Donations can be brought along on the day. Helpers will also be needed, even if its only for a short time.

The canteen roster is up for next term, so please help if you can. Your kids love to see you at school and are always really proud of having a parent or relative in the canteen.

Garden Club

CAN YOU HELP?

We are currently in need of more helpers to assist in the running of the school's Garden Club. The Garden Club gives students the opportunity to learn how to grow fresh, healthy vegetables and be more aware of their natural environment.

Can you come and help our little diggers on a Friday from 11.30am, for an hour or so! If you are able to assist, please place your name on the roster located on the canteen door.

If you can't make it every week, that's okay. Even an occasional visit will be a big help.

***As is a Department of Education Working with Children requirement, prior to volunteering in any capacity, parents need to complete a Statutory Declaration Appendix 5 form. They must also provide 100 points identification check. These forms are available from the office.**
