Flynn

"Hi! My name is FLYNN."

I have a little brother and he is coming to this school next year.

At school, I like tracing in my butterfly book and I like when Mrs Dilley reads to us. My favourite book so far has been 'The Grumpy Bunny'.

At home, I like to play with my dog Jilly and I really like swimming lessons.

When I grow up I would like to be a plumber."

### SPORTS SHORTS

It was great seeing so many parents at our Cross Country ribbons presentation assembly last Friday.

Congratulations to 'Turpentine' for winning the overall point score. Our House Captains, Couper and Olivia,

were really proud to accept the point score trophy on behalf of House 'Turpentine'. Well done!

### District Cross Country

Good luck to all of our 41 students who will be competing in the P.S.S.A District Cross country at 'Timber Hills' this Friday, 11 May. Please make sure that you are at the course by 10.45am. The carnival will conclude at 1.45pm. Students competing need to have their permission note back tomorrow, Thursday, 10 May.

### Junior AFL Gala Day

Next week, Friday 18 May, Years 3 and 4 will attend an AFL Gala Day to be held at Huskisson Soccer Fields. This is a great sports day run by skilled AFL instructors. Students received their permission notes earlier this week, so please be sure to return those as soon as possible so teachers can form teams.

**Note:** Payments can be made by cash or you can make an online payment by selecting [\\$Make a Payment](#) from the front page of the school's website.

### LEISURE SPORT

The sun shone brightly and we were blessed with perfect weather last term. Students in Years 3-6 participated in our Leisure Sports program, which is designed to expose them to sports that are traditionally not undertaken regularly at school. Each week they were out in our local area either breaking world records in the pool, reeling in the catch of the century, flexing and toning their muscles, or sprinting in the sand with a splash of yoga.

Mrs Raymer, Mrs Kelly, Ms Doumbos and myself have all commented on how well-behaved and enthusiastic each and every student was throughout the eight weeks. Even members of the public who witnessed our students in the local community have passed on their feedback on how well-mannered and polite our students were. How fantastic! Well done.

I personally would like to thank Mr Greg Wilson who came fishing with us every week as well as those who were able to help out when they were free. I know this can be difficult during business hours.

For now we take a breather and will get back into Leisure Sports in Term 4.

### OPERATION ART COMPETITION

Congratulations to the following four students, Celeste, Sarah, Katelyn H and Rhys, whose artworks have been sent off and entered into the Operation Art Competition. Every year, schools across New South Wales are invited to participate in Operation Art, an initiative of The Children's Hospital at Westmead in association with the NSW Department of Education. The Operation Art program provides a forum for schools and students to demonstrate their visual arts achievements through exhibitions at the Armory Gallery, Sydney Olympic Park and the Art Gallery of New South Wales.
