

**PRINCIPAL'S REPORT****Kindergarten Enrolments 2019**

Yes, it's that time already! If you, or anyone you know is seeking a placement for Kindergarten next year, please let the office staff know in coming weeks.

It is important that we have an accurate picture of new in zone enrolments as well as siblings of existing students who will be starting with us next year. This will help us determine the number of available places for additional enrolments for 2019. Enrolment packs for in zone and out of zone applicants are available from the office.

Please don't hesitate to contact me if you would like to discuss the enrolment process.

NAPLAN

Today our Years 3 and 5 students completed their third of four NAPLAN papers, with Numeracy being held tomorrow. We're very proud of how our students are approaching these assessments and know they are applying themselves to the very best of their ability.

Special Interest Groups

This week we are commencing special interest sessions which will operate each Thursday afternoon for the next eight weeks. Students have been offered a range of activities including cooking, Indigenous sports and games, robotics, dance, music and art. These structured extracurricular activities were a big hit last year and helped develop skills specific to their activity, as well as skills in teamwork and cooperation. Our Tournament of Minds team will also be working on their challenges during this time. Like last year, Special Interest Groups will take place during Terms 2 and 3, with Primary students returning to Leisure Sports in Term 4.

SRC - Pirate Day Friday

On Friday 8 June, the SRC will be holding a 'Pirate Day' to raise money for research into the prevention and cure of childhood brain tumours.

Students are invited to come dressed in pirate mufti or wear a beanie to support this very special cause. We also ask students to bring along some 'pirate treasure' (a gold coin donation!)

All children will be given a pirate patch to decorate and wear on the day, as well as completing some activities in class.

National 'Pirate Day' aims to have over 1 million people across the world wear an eye patch. The eye patch is symbolic for the brain damage that often occurs in children who have brain tumours removed. This fundraiser is to help support research and eliminate childhood brain cancer.

Thank you for supporting this worthy cause.

OFFICE NEWS

Medical Conditions & Emergency Contact Updates

This is a reminder to parents to please ensure that the school is made aware of the development of or changes to medical conditions in your child that might require emergency care. This includes updates to Asthma Action Plans and Ascia Action Plans. We request that parents provide written instructions to the school when there is a short term alteration to an Asthma Action Plan.

I would also like to remind parents that if your child requires prescription medication administered during school hours, please discuss this with our office staff and complete a DET request form prior to sending in medication.

Contact details, especially mobile phone numbers can change frequently and unfortunately, there have been instances in the past where a parent is non-contactable when most needed. Therefore, I urge parents to update any changes to contact details as soon as they occur.

Our office contact details are by telephone on 4443 4376 or by email tomerrong-p.school@det.nsw.edu.au.

Your assistance in updating our records is greatly appreciated.

Thank you.

Marg Blair

LIBRARY LINKS

Premier's Reading Challenge

Congratulations to all the students who are well and truly on their way to completing the PRC for 2018! Some students are almost finished!

I really enjoy watching the classes enthusiastically borrowing PRC books each week and discussing how many books they have read!

There is still plenty of time to complete the challenge which closes on the 31 August, 2018.

For more information, please visit the website www.premiersreadingchallenge.nsw.edu.au.

Children are encouraged to read at home as well as at school. Reading at home can be recorded the same as reading completed at school.

Happy Reading

Book Fair

Book Fair will be held in the library next week! We have some fantastic books this year, so come along and buy some great books and support our school at the same time!

There will be no Library borrowing in Week 4.
