

**PRINCIPAL'S REPORT****Glass Jars Needed**

In coming weeks, each student will be participating in an art lesson where they will be making and decorating a lantern. This requires each student decorating a glass jar. Something the size of a jam jar would be ideal. If you have any jars that you could donate it would be most helpful. It is not necessary that they come with lids, but we'll happily take them if you have them. Please ask Nan and Pop to see what they've got, too!

Kindergarten 2019

If you have a child commencing Kindergarten with us in 2019, please make contact with the school at your earliest convenience to complete the relevant paperwork.

In recent years we have seen a significant increase in enrolment applications for Kindergarten. Our enrolment policy states students who are in-zone have automatic right of entry, while siblings of existing families are given the next priority. The school will consider new families who reside out of our enrolment zone after these are taken into consideration.

It is important that we have an accurate indication of how many in-zone students and siblings of existing students we have so we can determine the number of out-of-zone applications we can accommodate next year while continuing to operate within our existing class structure.

Enrolment forms are available from the school's office.

Good Luck Riley, Jett and Jesse!

We wish Riley, Jett and Jesse every success this Friday as they participate in the Regional Cross Country carnival. Well done for reaching this high level of competition!

Have a great week,

Rod White
Principal

Connor

"Hi! My name is Connor.

I have a little sister and she is two. At school, I like to play with Lego and iPads. At home, I like playing tag with my little sister and watching PJ Masks. When I grow up I would like to be a geologist."

This week's value is

Be The Best That You Can Be

Congratulations to last week's winners

OFFICE NEWS**Leisure Sport Outstanding Payments**

During Term 1, students from years 3 to 6 participated in the Leisure Sport program over an eight week period. The children had a great time participating in these fun and different sporting activities and Leisure Sport will be offered to students once again in Term 4.

Now that the program is complete for Term 1, outstanding payments are being sought from families in order to finalise the schools payments for the activities.

Some students were issued with letters today, requesting outstanding balances. Please ask your child if they have received a letter.

The program consisted of four different activities and students were requested to pay \$2.50 per session.

Overdue balances are calculated on payments received and absences taken into account.

We would appreciate payment at your earliest convenience.

In the event that your have paid for a session and your child was absent on that day, credits have been applied to your child for the Term 4 program.

Please feel free to come and discuss this further if needed.

Thank you.

LIBRARY LINKS**Book Fair**

Thank you to all the students and families who came along to the Book Fair last week and purchased a book. We had some amazing books for sale this year and the library was decorated beautifully, as always. A BIG THANK YOU to our School Learning Support Officers, Mrs Kime, Mrs Ford and Jenny who always put so much thought and time into the Book Fair. Our school earns a commission for all books purchased.

WATCHING OUR WASTE

This term The Green Team will be addressing waste disposal throughout the school. Our Green Team members have placed a food scraps waste bin in every classroom. These food scraps will then be put into our school garden compost or given to families who have chickens. The Green team will also be pushing to ensure all classrooms are only placing paper and cardboard in our class recycling bins, as these are becoming contaminated with lots of other waste items. Finally, Tomerong Public School will be participating in the Return and Earn initiative, by collecting milk bottles and juice boxes to earn some money back for our school. Our dedicated Green Team members will be overseeing the collection of these recyclable items on canteen days, Wednesdays and Fridays.

Thank you

The Green Team

SRC FUNDRAISER REMINDER**Pirate Day Friday**

A reminder that **NEXT Friday, 8 June** (week 6) the SRC will be holding a 'Pirate Day Friday' to raise money for research into the prevention and cure of childhood brain tumours.

Students are invited to come dressed in pirate mufti and/or wear a beanie to support this very special cause. Students are asked to bring along some **'pirate treasure'** (AKA a gold coin donation!)

All children will be given a pirate patch to decorate and wear on the day also, as well as completing some activities in class.

The organisers of the national 'Pirate Day' aim to have over 1 million people across the world wear an eye patch for children who are diagnosed with brain cancer. The eye patch is symbolic for the brain damage that often occurs in children who have brain tumours removed. Conor Colgan (the little boy who inspired the day) has partial paralysis in his face, including the ability to blink with his right eye.

This national wide fundraiser is to help support research and eliminate childhood brain cancer.

Thank you for supporting this worthy cause.
