PEER SUPPORT SESSIONS

During Peer Support this week, students have looked at qualities their friends may have and the concept that we choose friends based on the qualities we admire in them. They have also explored the skills of friendship, specifically those co-operating and listening. During this week please encourage your child to show they are interested in the person they are talking to by being an active listener.

P.S.S.A District Athletics Carnival

Thank you to all the students who have already returned their permission notes for the carnival this Friday. The weather is looking pretty good, but we will just have to wait and see if the wind stays away.

We have 40 students representing our school this year against six other schools at the P.S.S.A. Athletics Carnival. The students always make us proud and we wish them the very best in all of their events. The carnival organisers have asked that one parent from each school help with the timekeeping on the day. If you are able to assist, please let me know on the day.

Athletics Assembly

On Friday 17 August we will be holding a special Sports Assembly at 2.15pm. At this assembly, students from Years 2 to Year 6 will receive their athletics ribbons. Parents are most welcome to attend.

Senior Gala Day

We are still waiting to hear from the AFL in regards to the Senior gala day. This event was postponed in Week 3 and a back-up date for this gala day should be known to us by the end of the week.

SRC FUNDRAISER

Nowra to Dubbo Drought Relief Drive

Just a reminder that next **Thursday, 16 August (Week 4)** the SRC are holding the 'Nowra to Dubbo Drought Relief Drive' fundraiser. This fundraiser, organised by Aussie Helper Depot is asking for donations of dry or tinned dog or cat food (or other animal food) to be taken out to Dubbo to help the Farmers who are doing it tough and struggling to feed their animals, including their pets.

There is a truck leaving Nowra Monday 27 August headed for Dubbo to support the farmers in crisis, some that haven't seen rain for 7 years!

We are asking students to come dressed as a farmer or your favourite animal. Please bring with you tinned or dried animal food or a gold coin donation. We would love to fill up the truck as much as we can!

RETURN AND EARN

In Term 2 our Green Team collected several recyclable items and returned them for 10c each at a local Return and Earn bin. We raised enough money to purchase a mini recycling bin. This bin will be used to collect recyclable items throughout the year. We are hoping to continue these efforts and purchase another mini recycling bin in the coming weeks. This term, we will also focus on managing electricity use more efficiently by ensuring all light switches are turned off when not in use.

TALL TREES BEFORE AND AFTER SCHOOL CARE Produce Stall

After a successful trial last term, we are pleased to open our stall again this term.

The stall is open each Thursday and Friday morning. We will buy your home grown produce and sell it on. Any profit will be used to buy resources for Before and After School Care.

Thank you to families who have been selling their produce to us. It has been lovely to see the children excited about buying and trying fresh fruit and vegetables. This week we have some beautiful eggs, mandarins, clementines, lemons and parsley all selling for cheaper than at the shops! If you have some produce you would like to sell you can bring it to Before and After School Care any day during opening hours.

If you would like to contact us, please email us at talltreesoshc@gmail.com.
