**PEER SUPPORT SESSIONS**

Types of friends is the focus in Peer Support sessions this week. Students will explore what encourages them to form friendships with different people. Through various activities, students will identify that their friends can fall into the categories of 'best friends', 'friends', and 'people we know'. Students will also discuss the fact that friendships can change over time for various reasons.

Discuss with your child the different friends they have in their lives and how friendships may change. Some friends may be more important at different times in their lives.

Congratulations everyone on another fantastic session of Peer Support!

**CHILDREN'S AUTHOR VISIT - D.C. Green**

Yesterday, all students from K-6 were fortunate enough to have a visit from local children's author, D.C. Green.

DC Green writes fantastic and funny children's books and tours around to hundreds of schools each year.

He gave the students some great ideas for using imagination in their writing and some fantastic tips for writing a great story.

D.C. Green had us all in stitches with his hilarious story plots and amazing rapping skills!

Some students were lucky enough to purchase a signed copy of one of his books. We also have the whole series of his books in the library ready to be borrowed by students.

**YEAR 7 2019 INFORMATION**

As the year continues to speed along, I cannot believe it's that time again.

On Wednesday 12 September, all Year 6 students who will be attending Vincentia High School next year will be completing several assessments with a teacher from Vincentia High School at 9.30am.

Our Year 6 students have already met their Vincentia High School's Year Advisors for 2019, Ms Corr and Mr Brindley. Students were able to ask questions and get an introduction to the High School in preparation for next year. While it is awhile off, the full cohort transition day is scheduled for Friday 7 December. More information to come closer to the date.

Would students who are attending other high schools that are required to attend a transition/assessment day, please notify me so that attendance records are not listed as unexplained absences.

## P.S.S.A. District Athletics Carnival 2018

Wow! What a great day for an athletics carnival last Friday. Team Tomerong was absolutely amazing in terms of effort, achievement, sportsmanship and their behaviour was simply outstanding.

We had so many wonderful students achieving their personal best at the District Athletics Carnival and our students made me very proud to be a part of such a terrific school.

Well done to Jett for becoming the 11 Years Age Champion. Congratulations also to Caleb for setting a new high jump record in our district.

# Say No To Plastic Show

Last Thursday afternoon, our students were treated to the **King and Queen of Green's** *brand new* 'Say No to Plastic Show'. The show was **free** to Shoalhaven schools and tackled the very difficult problem of plastic waste. Students were encouraged to think of solutions themselves and help prevent so much plastic waste entering the ocean.

The performance was both engaging and entertaining and showed that children can make a real difference as responsible community citizens.
