### MUSIC NEWS

#### Count Us In Celebration Day - Tomorrow

Tomorrow, Thursday 1 November, the choir along with 4-5D and 5-6B will be attending the Music: Count Us In celebration day at Huskisson Public School.

Thank you to all the students who have returned their permission notes. There are still a number of permission notes outstanding, so if you haven't handed in your note, please remember to bring it in tomorrow.

The excursion is planned from 11.20am to 1.10pm. Each year, schools across Australia sing the same song, at the same time, on the same day. This year's song is called 'One Song'. The actual performance at Huskisson Public School is at 12.30pm and will run for approximately 30 minutes. Parents are welcome to attend at this time. The rest of the school will also be singing 'One Song' here at Tomorong at 12.30pm, which parents are also welcome to attend.

Thank you.

Mrs Raymer

#### Parliament and Civics Education Rebate

Students from our school have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion and was factored into the cost of the excursion.

### STAGE 3 CANBERRA EXCURSION

Last Thursday and Friday, our Stage 3 students set off on their overnight excursion to Canberra. They visited the Australian War Memorial, Parliament House, Telstra Tower, Mount Ainslie lookout, Old Parliament House, the Electoral Commission and the highlight of the trip, Questacon.

Throughout the two days, students participated in many tours and activities which included passing a bill through the House of Representatives and voting through the electoral process. All of the teachers were extremely proud of the students for the way in which they engaged in each of the tours/activities and were impressed with the level of knowledge displayed by Tomerong students. Please look out in next week's 'Bulletin' for a write-up and collage of our Canberra excursion.
