**Final Canteen Day – This Friday**

Please note that this Friday will be the final day that our canteen operates for the year. We have been so fortunate to have Lorraine take on the coordinator's role on a voluntary basis and what an amazing job she has done! Thank you also to our small but dedicated group of helpers who keep the canteen open. Remember, we are in dire need of more helpers so if you are able to donate two hours of your time once or twice a term next year, please see us!

Have a great week,

## **Ethics classes at Tomerong Public School**

Dear Parents and Carers,

Could you be an ethics teacher for Tomerong Public School?

Some of our current ethics teachers are moving on at the end of the year and we are seeking volunteers so that classes can continue next year.

Ethics teachers receive full training by Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the ethics program. Training consists of a two day workshop and short online modules. Lesson materials are provided. Suitable volunteers have an interest in children's education and development of critical thinking skills and must be available at 3pm on Thursday each week.

In Ethics classes, children learn how to think logically, disagree respectfully and support their arguments with evidence, rather than act according to blind habit or peer pressure.

Children discuss topic such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- fairness

If you are looking for an opportunity to make a valuable contribution to our school, please visit [www.primaryethics.com.au](http://www.primaryethics.com.au) or contact me on 0447 068 194 or email [nickyheap@hotmail.com](mailto:nickyheap@hotmail.com).
