

## PRINCIPAL'S REPORT

Dear all,

### Thank you

Thank you for your efforts in keeping your children home from school yesterday when we were declared non-operational. Students returned safe and happy today and got on with the business of learning. During instances like this we find the SkoolBag app and our Facebook page a great tool for sharing urgent information. If you haven't already done so, please download the Skoolbag app to stay informed. The flier attached to this 'Bulletin' provides instructions on how to do so.

### Berry Sport and Recreation Camp

Unfortunately, our Stage 3 students' visit to camp was delayed as the centre remained closed today. Instead they will be attending from 9am tomorrow morning with a jam packed two days in an attempt to make sure they don't miss any planned activities. Parents will receive a partial refund for the reduced number of nights. We will parents know the amount and the refund process as soon as we are informed. While disappointed, our Year 5 and 6 students are to be commended on the way in which they conducted themselves today. Each of them received an information note this afternoon, outlining the changes.

### Kindergarten Orientation

It was lovely to see our 2020 Kindergarten students for their first Orientation Session last week. Our second will be held this Thursday from 2-3pm. Once again, parents are invited to attend the information session during this time, where we will be hearing from the P&C.

Have a great week and stay safe.

Principal
