

PRINCIPAL'S REPORT

Dear all,

Staffing 2020

We have been busy considering class structures for next year. While it's always difficult to have absolute certainty before the start of the school year, we are working towards the structure outlined below:

Kindergarten: Mrs Sharlene Dilley

Year 1: Miss Roslyn Saunders

Year 2: Miss Jennifer Arnott

Year 3: Mrs Aja Kelly & Miss Cathy Beal

Year 4: Mrs Charmaine Flannery & Miss Amanda Cox

Year 5: Mrs Kathryn Raymer

Year 5-6: Mr Luke Munn

Learning Support: Mrs Brett McDonald

Library: Mrs Rose Darby

Executive Release: Mrs Lauren Moore (one day on Year 2 and Year 5-6 while Mr Munn and Miss Arnott will tend to duties associated with the Assistant Principal role, as well as 2 hours RFF for each of these classes.)

We welcome Mr Munn back next year after what I'm sure was a very quick 12 months of leave for him. I know the students will be excited about seeing Mr Munn again on a daily basis. Next year we welcome Mrs Flannery, Miss Beal and Mrs Kelly back in a part time capacity. We are also very fortunate to retain the services of Miss Arnott who will continue to act in the Assistant Principal role, alongside Mr Munn.

After an amazing 12 months on our current Year 6 class, Mr Booler will be moving to Sussex Inlet Public School in 2020. I'm so grateful for the amazing work he has done with Year 6 students and it has been an absolute pleasure working alongside him. We wish him all the very best for 2020. Similarly Miss Doumbos will be heading off on an amazing overseas adventure next year. Miss Doumbos has been a great asset to our school in recent years and I know she will be missed by all while she is jetsetting around the world!

Volunteer Morning Tea

Just a reminder that our volunteer morning tea is on tomorrow, Thursday 12 December at 11am in the Library. Please join us for a cuppa and chat!

School Picnic

Next Monday, Year 6 will be participating in activities at school while Years 1-5 will be travelling to Plantation Point for an end of year picnic. Please ensure notes are returned to school as soon as possible. Once again there will be no charge to parents as bus costs will be covered by the school.

School Shoes

We also remind students and parents of the need to ensure the correct shoes are worn each day. Students are to wear black shoes on Monday – Thursday and can wear joggers on sports day. Black leather school shoes are ideal, although many families are opting to purchase black joggers for students to wear every day, saving them from buying two pairs of shoes. This is a sensible option, providing the joggers are of good quality.

Thank you!

This is the final 'Bulletin' for 2019 and I'd like to take this opportunity to once again thank you for the ongoing support you have shown the staff and students of our wonderful little school. Schools are a reflection of the communities we serve and I can't thank you enough for making Tomorong School what it is.

Wishing you a fantastic festive season surrounded by those most important to you.

Have a great week,

Canteen News

Thank you for supporting the canteen so well this year. The kids are a pleasure to serve and I am really enjoying doing what I do for them, and the whole school community. In conjunction with the school garden, we have used lots of fresh produce in the meals we have made this term. A big thank you to my team of volunteers that have helped this year.

Two important messages for you

* The canteen will be closing for the year at the end of this week. Which makes Friday 13th December the last canteen day.

*** Next year the canteen days will be changing to TUESDAY AND FRIDAY**

It will re-open on Tuesday 4 February.

If you would like to volunteer some time in the canteen a new roster will be on the canteen door. Any time offered is much appreciated.

Hope you all have fun & safe holidays!

PRC NEWS

This week, every student who completed the Premier's Reading Challenge for 2019 received their certificates. This year we had well over 100 students complete the challenge and over 30 students received a Gold Award certificate. The gold award means students have completed the challenge for 4 consecutive years. Well done!

We also handed out a very special award this year, a 'Platinum' award! This award goes to students who completed the challenge for 7 consecutive years. Miles received this, as he has completed the challenge every year since Kindy. Well done Miles, we are very proud of you and hope you continue with the PRC next year in high school.

Congratulations again to everyone who completed the challenge!
